Tour Overview

Imagine basking in a hot spring bath at the foot of Mount Fuji, drinking sake with an apprentice geisha in Kyoto or exploring tranquil gardens in the heart of the Tokyo metropolis. This tour collects the best of Japan's classic cultural and natural locations.

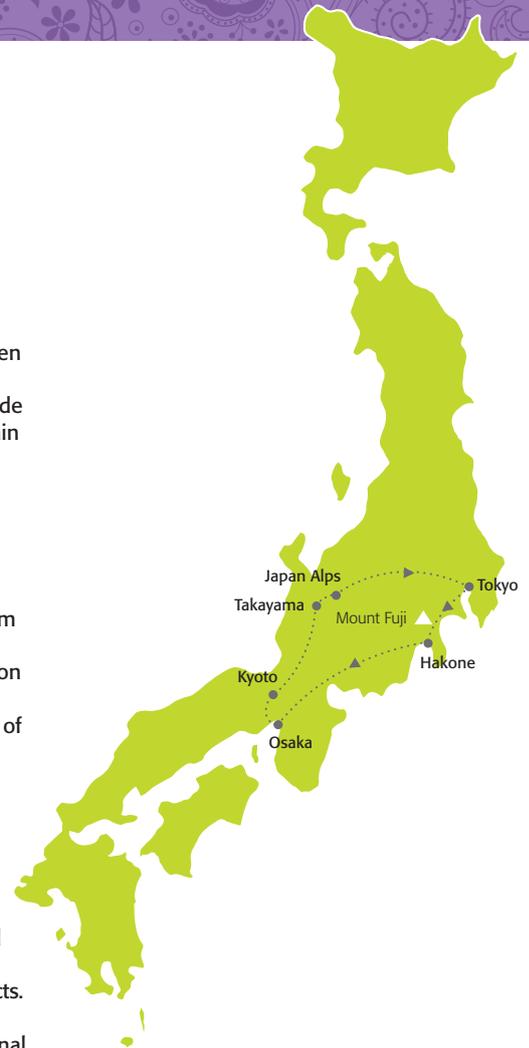

Discover some of the locations that have given Japan its reputation as a land of mysterious spirituality and exquisite aesthetics, as you ride cross-country on the world-famous bullet train and stay in some lovely traditional accommodation.

Your journey will be gastronomic too - sample local specialities from melt-in-the-mouth Hida beef in the alpine regions to super-fresh sushi in Tokyo, quick bites from street vendors in Osaka and multi-course *kaiseki* feasts in Takayama. In each destination you'll enjoy an expertly planned range of experiences, from learning about the history of the magnificent Osaka Castle, to wandering through the thatched farmhouses of Takayama's Hida no Sato Folk Village.

In Kyoto, we will be joined by a local expert guide for a tour of the city and enjoy an exclusive audience with a trainee geisha. In Tokyo, we will stroll through the calm and beautiful Hamarikyu Gardens, hidden in the heart of one of the capital's skyscraper districts.

Along the way you'll visit two stunning national parks: Chubu-Sangaku and Fuji-Hakone-Izu. The former is home to Japan's most magnificent mountain scenery and a thriving population of Japanese macaques, whilst the latter offers a pirate ship ride across Lake Ashi and the chance to try boiled eggs in volcanic hot springs.

Accompanying you throughout will be your tour leader, who will introduce history and culture, guide you on excursions, demystify the local etiquette and generally make sure you get the best from your Classic Japan tour.

Day by day

Many of our customers choose to arrive a day or two early to get over jet-lag and get the most out of the tour. Whatever the case, we will be happy to make arrangements to suit your needs

Day 1 Tokyo (D)

On arrival in Tokyo, you will be met by your driver, and travel by shared shuttle bus to your hotel in the Asakusa district. Your tour leader will be waiting in the lobby to meet you and help you to settle in.

Our hotel is situated in the Asakusa area, the historic downtown and entertainment district of old Edo (as Tokyo was formerly known). This friendly area still maintains a traditional atmosphere and is home to Senso-ji, the city's oldest temple.

Tonight, we will be indulging in an included first night dinner of your tour leader's choice.

Day 2 Tokyo (B)

We embark on a tour of the city today. As part of the tour we'll take a relaxing stroll through Hamarikyu, a tranquil Japanese garden of shogunate and Imperial significance. We can take tea in the teahouse that serves as the centerpiece of the garden, where the Meiji Emperor used to take tea with Japanese and foreign dignitaries. From there, we'll head to the trendy Harajuku district to check out all of the latest crazy fashions, ensuring time to explore the verdant precincts of Meiji Shrine. If exploring independently is more your thing, feel free to ask your tour leader for suggestions for the day.

Day 3 Hakone (B, D)

After enjoying breakfast at our hotel we will move on to Hakone. This tour includes a Hakone Free Pass, which allows you unlimited travel on all of the many modes of transport in the Hakone region: buses, funicular railway, cable car, and even the sightseeing "pirate" boat that crosses Lake Ashi. If we're lucky, clear skies will afford us stunning views of Mount Fuji. Then we will visit the Open-Air Museum that features pieces by many world-renowned artists, such as Henry Moore and Picasso, and is set against a stunning mountain backdrop.

Our hotel has an extremely pleasant outdoor hot spring *rotenburo* bath, so you can relax after a hard day's sightseeing with a soak under the stars. Dinner is included at the hotel tonight.

Day 4 Hakone (B, D)

More time to explore Hakone. You may like to take a short hike along what remains of the old Tokaido Trail, which used to be the major road linking Edo (modern day Tokyo) with Kyoto. There is also a range of museums to visit, and you may like to pick up one of Hakone's famous "trick boxes" as a unique souvenir. If you are travelling in July or August then there is also the chance to take an optional Mount Fuji climb from Hakone. A tough but fantastic experience!

Day 5 Osaka (B)

After breakfast we'll be moving on to Osaka, taking a three-hour ride on the World-famous bullet train. Osaka is the modern pulse of the Kansai region, and home to some of the best food, drink and entertainment in all of Japan. The hotel is right in the heart of the city, and so perfectly placed for sightseeing. We will head to the Osaka Castle this afternoon, to learn about the history behind this modern city.

Day 6 Osaka (B)

Today you'll have the option of taking an excursion of your choice. One popular destination is Nara, where you will find the massive "Big Buddha" at Todai-ji Temple, and roam the expansive parkland populated by friendly local deer. Another great option is Himeji, famous for its splendid original castle.

Of course, you may like to remain in Osaka to explore this exciting city further. There is fantastic shopping, one of the world's best aquariums and an enormous proliferation of video game arcades and karaoke parlours to keep you busy if you do decide to stay. Tonight, make the most of Osaka's great food and night life!

Day 7 Kyoto (B, D)

We'll head off to Kyoto reasonably early this morning so as to allow a full day of sightseeing in this historic city. Kyoto is a great city to explore on foot and it boasts dozens of major attractions. The tour leader will be able to put together the best itinerary based on the season, weather conditions, and of course the group's interests.

This afternoon we will be heading to Gion and the geisha districts to visit a teahouse, for afternoon tea with a geisha, giving a truly unique insight into this hidden world. Later we will head out for an included meal at one of our favourite restaurants.

Day 8 Kyoto (B)

On day eight we will have a private coach available for today's sightseeing. We will also be joined by an expert local guide in addition to the tour leader. This will allow you to get the most out of the amazing places you will visit. These include the rustling bamboo groves of Arashiyama, Japan's famous rock garden Ryoan-ji, and the Golden Pavilion of Kinkaku-ji.

Day 9 Takayama (B, D)

Today it's on by bullet and express trains to Takayama. We'll be arriving in the afternoon with enough time to start exploring this intriguing mountain town. Our lovely Japanese-style *ryokan* inn is just a short walk from the historic old town area, which is great for craft shops and sake breweries! Dinner is included at our accommodation tonight.

Day 10 Takayama (B)

Takayama is packed with things to see and do. Our top recommendation is the Hida-Takayama folk village. This fantastic outdoor museum is made up of a collection of old traditional-style houses from all around the Hida region - a rare chance to catch a glimpse of what rural life was like for ordinary folk before industrial advancement was undertaken by the new Meiji regime in 1868. Another unmissable spot is Takayama's riverside morning market, filled with craft goods and local produce, such as fruit and pickles. In the afternoon you might like to check out some of the museums in the area or perhaps take a stroll among the beautiful shrines and temples. Sake tasting at a brewery is also a popular option! Tonight you may like to join your tour leader for an optional dinner at a local restaurant in town, and a visit to a bar to take in a little local night life.

Day 11 Japan Alps (B, D)

After breakfast we will travel by private bus into the heart of the Japan Alps. The area is 1,500m (approx 5,000ft) above sea level, so even in summer it can be quite cool. If you are coming in autumn, remember to bring warm clothing for nighttime, as temperatures can fall below freezing. This afternoon we'll be taking a ride on a unique 'double-decker' cable car ascending Mt Hotaka for stunning views of the mountain scenery; we'll then continue to the small hot spring town of Hirayu Onsen for an optional hike to a beautiful waterfall before checking in and enjoying the hot spring baths. A delicious dinner is included tonight and will be served at our accommodation.

Day 12 Japan Alps (B, D)

A short bus ride from our accommodation this morning will take us into Kamikochi, in the heart of the Chubu-Sangaku national park. We'll be starting at the tranquil Taisho Pond and hiking approximately 6km to the Myojin Pond, home to an ethereal Shinto shrine in the mountainous forested environs.

There is an opportunity to break off along the way for those who prefer a shorter hike. Traversing the mostly flat route along the river through the valley, we may even spot some of the area's resident wild monkeys! Another dinner is included tonight.

Day 13 Tokyo (B, D)

We'll be taking an early bus down to Matsumoto, from where we will transfer by express train back to Tokyo. The journey is stunning, as the road twists and turns down the Azusa River Valley through a series of seemingly never-ending tunnels and dams. Once we reach Matsumoto, we will have time to stop off for a couple of hours to visit the famous castle, before grabbing some lunch and heading back to Tokyo. We will arrive late afternoon at Shinjuku Station - seemingly a world away from the peace and tranquility of the mountainous region where we started the day.

As our once-in-a-lifetime tour comes to an end, join your tour leader and travel companions for the included farewell meal, for one last night of good food and drink before heading home.

Day 14 Sayonara (B)

Alas time to head home, a shared limousine bus service is included and will take you to the airport for your flight home, a shared shuttle bus service is included to get you to the airport in good time for your flight home.

Our tours aim to be as flexible as possible, so there is no set-in-stone itinerary for each day. You will be provided on the ground with Day-by-Day sheets and the tour leader will outline what they are going to do each day in detail. If you would like to break away from the group and do something different, they will be available to offer advice, and help you plan your day.
